

# Best Year Ever: Design Your Future

*Isaiah 32:8 (NASB)*

*But the noble man devises noble plans; And by noble plans he stands.*

Each of us has a future that God desires that we live out. My future plans affect you and vice versa. We are collectively a part of the body of Christ. For us to understand how to effectively plan for the weeks and years to come will help us be better personally and more beneficial to our church family.

To Design My Best Year Ever, I need to:

1. Know that I am a part of God's family and am responsible for following His leadership.

Deuteronomy 29:10-13, Matthew 16:24, Philippians 2:12-13, Proverbs 16:3

2. Use the tools that God has given me to be at my best.

A. Prayer:

Psalm 105:3-4, 1 Thessalonians 5:17

B. Planning:

- Use godly counselors.  
Proverbs 15:22
- Seek biblical insight.  
John 6:63, Colossians 3:16
- Write down the plan.  
Habakkuk 2:2, Deuteronomy 27:8
- Give God the freedom to work in and change your plans.  
Proverbs 16:9
