

## **Best Year Ever: Taking Action on God's Goals for My Life**

*Proverbs 14:15 (NASB)*

*The naive believes everything, But the sensible man considers his steps.*

Many companies and individuals have vision, mission, and purpose statements that go along with goals and plans. Countless hours have been put into designing the perfect plan. Yet, many of these plans never get off the ground.

Make it a point to take action! Do something. To know what to do and why it needs done but not execute on a plan is a great failure. When God shows us what we should be doing, let's get going.

To take action:

1. Be alert to the obstacles.

- Over planning
- Fear of failure
- Fear of what others think

1 Peter 5:8, 1 Corinthians 16:13-14

2. Recount the reason for your plans.

Matthew 9:9, 2 Samuel 5:24, Colossians 3:17

3. Act wisely.

Proverbs 13:16, 2 Samuel 22:22, James 4:17, Matthew 7:24, 26

4. Be courageous and act.

1 Chronicles 28:10, 20, 1 Peter 2:16, James 1:22 -25, Deuteronomy 29:9
